

## **WCP Objectives**

- i. Improve access for local communities and visitors.
- ii. Improve access for less able visitors and families.
- iii. New opportunities for cyclists and horse riders at coast.
- iv. Maximise links with existing infrastructure and areas of open access land
- v. Deliver a good quality all-Wales coastal path

#### Destruction

# Missed opportunities

## Abandonment

Disturbance

#### Where are we today?

#### 2011-2013

- 870 miles continuous path
- 60 miles alternative routes
- 2.82 million visitors
- £32 million gross expenditure
- 28.2 new FTE created

#### **Unfounded fears?**

# Sense of place – whose place?

#### **Nature v Nature**

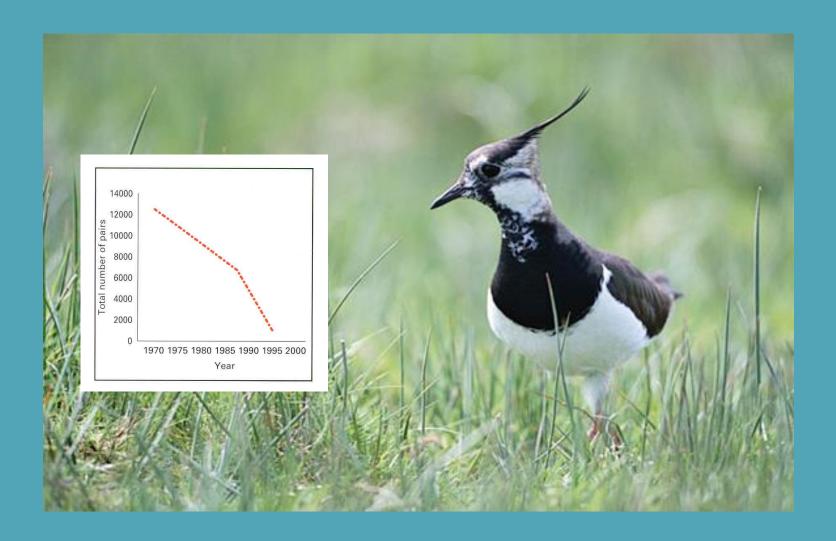

# Facing up to the future

#### Sharing the load, sharing the riches

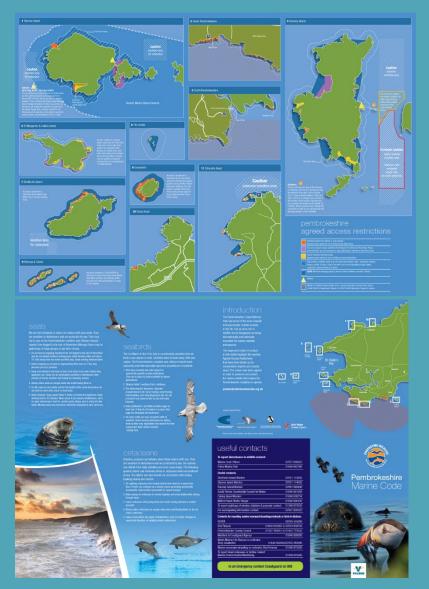

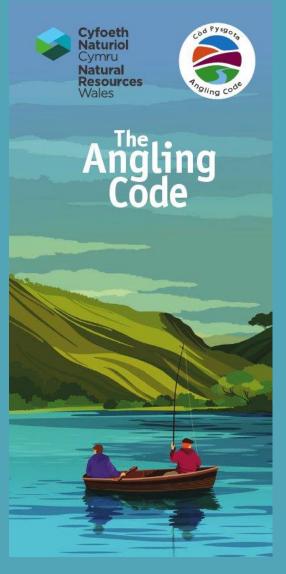

#### Managing use, promoting good care
